You may now schedule your own Primary Care/Women’s Care and Health Education appointments by following these steps:

1. Access myUK by going to [https://myuk.uky.edu](https://myuk.uky.edu) and logging in using your LinkBlue ID

2. Click on the **Student Services** Tab and then the **myInfo** link at the top

3. **a.**

4. You can begin scheduling a new appointment by clicking on the **New Appointment** link on the left hand side of the screen

5. In the “Clinic” dropdown box, select either **Student Health Clinic (STUDENT ONLY—NO EMPLOYEES)** or **Health Education (STUDENTS ONLY—nutritionist and tobacco cessation counseling)**

6. Select the appropriate “Date” and “Time” ranges that meet your scheduling needs
7. In the “Provider” dropdown box, either select **ALL** or choose the name of the provider that you prefer

8. Select the reason for your appointment from the “Reason” dropdown box

9. Click SEARCH at the bottom.

10. Click “Select” next to the appointment that best fits your schedule

You will receive an email confirmation for your appointment.

---

**To CANCEL An Appointment:**

1. Click “Home” link on the left hand side of the screen

2. Scroll to bottom of screen and find the appointment you wish to cancel

3. Hit the CANCEL button

You will receive an email appointment cancellation confirmation.
