

Safe Kids Buckle Up

The child safety seat inspection station will be open 4 – 6 p.m. the last Thursday of each month from April to October. Call **859-323-1153** to make an appointment.

Parents and caregivers can learn how they should buckle up their children in the child safety seat and how to properly install the seat in the vehicle. Seats will be inspected by certified child passenger safety technicians.

Imani Family Life Center
1155 Georgetown Rd
Lexington

Seat check station located in the rear parking lot.
