Our team of physicians, nurses, social workers, nutritionists and psychologists is dedicated to providing specialized, comprehensive care to young people between the ages of 10 and 21 years.

We provide comprehensive care for:
- Eating disorders
- Behavioral issues
- Obesity
- Fainting/dizziness
- Recurrent abdominal pain
- Chronic fatigue
- Substance abuse-related problems
- Sexual abuse/rape evaluation and treatment
- Attention deficit hyperactivity disorder (ADHD)
- Physical exams for school, camp and sports activities

Young Parents Program
The Young Parents Program (YPP) is a special service provided to meet the specific needs of young parents with children. At our clinic, the young mother and her child can receive care during the same appointment.

A physician and a mental health provider can be reached 24/7 by calling UK•MDs at 1-800-888-5533 or 859-231-9922.

Clinic hours
Monday, Tuesday, Thursday: 9 a.m.-8 p.m.
Wednesday and Friday: 9 a.m.-4 p.m.

To schedule an appointment, call 859-257-1000 or 1-800-333-8874 or visit ukhealthcare.uky.edu/KCH.
To call the clinic direct: 859-323-5643.
