# Steps to going back to school

- Explore different career options by shadowing a Physical Therapist, Occupational Therapist, CRNA, Nurse Practitioner, Midwife, Nurse Educator, and many others in careers that you are interested
- Gather all of your transcripts
- Attend Information Sessions
- Meet with an Academic Advisor
- Find out how UK will pay for your tuition
- Write a personal statement
- Apply; follow up with the program to see if your application is complete!
- Prep for an Interview
- Wait for your acceptance
- Achieve your goals!

# UK HealthCare Career Center

Did you know that Sue H. Strup, MEd, MSN, Senior Career Consultant offers career services to help you go back to school, including writing a personal statement, prepare for interviews, and much, much more!
