

CLINICAL PASTORAL EDUCATION RESIDENCY

University of Kentucky HealthCare has four residency positions available. Apply now.

Residency Year: August 25, 2022 – August 31, 2023

Stipend: \$37,000 (recently increased) + paid time off and full employee benefits

CPE Training: Sequential Curriculum for 3 units of Clinical Pastoral Education

Tuition: \$250 for each CPE unit (\$750 total)

Requisites: Graduate degree in theology or spiritual care and one prior unit of ACPE-accredited Clinical Pastoral Education

Accredited by the Association for Clinical Pastoral Education to provide Level I & II CPE and Certified Educator Candidate CPE, UK HealthCare is a 945-bed academic health center, an adult and pediatric Level I Trauma Center with numerous specializations in patient-centered advanced care medicine. This includes UK Markey Cancer Center, Kentucky Children's Hospital, UK Gill Heart & Vascular Institute, Kentucky Neuroscience Institute, UK Transplant Center, UK Good Samaritan Hospital, and multiple complex care services. This CPE Center works in collaboration with UK Graduate Medical Education (GME) and several UK health colleges. Chaplains serve as an integral interdisciplinary clinical care component of patient, family and staff support at UK HealthCare, making this an ideal context for deepening in the art and practice of spiritual care and developing a wide breadth and depth of competencies toward board certification as a professional chaplain.

Application materials: \$25 application fee; cover letter; resume; completed ACPE application form with essay responses and attention to instructions for those with prior unit(s) of CPE. Application forms can be located at www.acpe.edu.

Further inquiry: cam.holzer@uky.edu; CPE office 859-323-4140; Pastoral Care Services office 859-323-5301

Submit materials and \$25 application fee to:

UK HealthCare; Pastoral Care
