Gift Shop

Our biggest need! Such a fun placement with lots of interaction with everyone at UKHC! You'll help greet customers, check out customers, stock shelves, and take phone orders. We have four different locations throughout the hospital: GSH, KCH, Pav H, and Pav A.

Monday-Friday

Child Life

Volunteers will be placed in one of these roles: playroom volunteer, infant/toddler playroom volunteer or individual unit volunteer.

- Playroom volunteers will be stationed in the playroom for their shift and will supervise and manage the playroom and workroom.
- Infant/toddler playroom volunteers will supervise infant/toddler playtime in the playroom and will check bedside for support to infants/toddlers under 2 years of age.
- Individual unit support volunteers will be assigned to a specific unit to provide play activities at the bedside as well as support the Child Life Specialist on that unit.

The Child Life team will decide which of the three areas a volunteer is placed in.
