Do you have the correct packet?

This is the red packet:

For whom? Employees paid by University of Kentucky, Eastern State Hospital Employees, and Health Science Students

What happened? Blood exposure to pierced/damaged/broken skin or mucous membranes (inside eye, nose, or mouth) <u>OR</u> exposure to Cerebral Spinal Fluid, Peritoneal Fluid, Synovial Fluid, Human Tissue, Pericardial Fluid, Pleural Fluid, Amniotic Fluid, Semen, Vaginal Secretions, or any bloody material.

Step 1: For exposures during business hours (7:30 AM-4:30 PM Monday-Friday):

call 859-218-3253 to speak with an exposure nurse

For exposures after hours (4:30 PM-7:30 AM or all day on weekends/holidays):

call <u>859-257-5522</u> to page UK MD's

<u>Step 2 (only for UK Employees)</u>: Call CorVel <u>1-800-440-6285</u> to begin your claim **Health Science students should not call CorVel and only complete step 1**

For whom? Employees paid by University of Kentucky and Eastern State Hospital Employees

What happened? Exposure to Urine, Feces, Saliva, Mucous, Sputum, Sweat, Tears, Respiratory Secretions, or Vomit <u>without</u> clearly visible blood, or human bite(s), or scratch(es). All other exposures that do not pose risk for HIV, HCV, and HBV, (i.e. chemical). Additionally, this packet is for muscle strains or other workplace injury/exposure.

For injuries/exposures during business hours: Call CorVel <u>1-800-440-6285</u> to begin your claim.

<u>After hours</u>: Call CorVel <u>1-800-440-6285</u> to begin your claim. <u>Do not</u> use the UK MD's paging system. CorVel will assist with scheduling your appointment with Employee Health. Depending on the severity, CorVel may recommend an E.R. or Urgent Care appointment prior to your appointment with Employee Health.

For serious injuries that need attention now i.e. cannot walk/limping: go to the ER.

*Appointments are required at UHS Employee Health. We cannot take walk-ins.

Green Packet:

For whom? EMT's, contractors or other personnel who are not directly paid by University of Kentucky. (Example: travelers, police, fire department, etc.)

What happened? Blood exposure to pierced/damaged/broken skin or to mucous membranes (inside eye, nose, or mouth) <u>OR</u> exposure to Cerebral Spinal Fluid, Peritoneal Fluid, Synovial Fluid, Human Tissue, Pericardial Fluid, Pleural Fluid, Amniotic Fluid, Semen, Vaginal Secretions, or any bloody material.

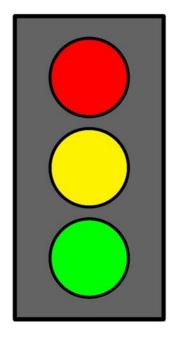

For exposures during business hours (Monday-Friday 8:00 AM-5:00 PM):

Call Infection Prevention and Control (IPAC) at <u>859-323-6337</u>

For exposures after hours: Call UK MD paging at 859-257-5522 - specifically request "IPAC on-call provider". Do NOT have UHS paged. UHS/Employee Health cannot see contracted employees.

For Red Packet ONLY- did you remember to . . .

- 1. → Draw 2 gold, 1 red, 1 pearl top blood tubes on the source patient (not yourself) (If source is <2: For NICU/PICU patients < 2 years old or nursery patients you MUST consult with the patient's attending physician to receive approval before having any blood drawn. It the attending is not available, call UKMDs and ask to speak to the UHS clinician on-call. For patients < 2 years old but NOT in the NICU/PICU or nursery, ask to have 4 red bullets drawn.
- 2. → Label all blood tubes with source patient name and DOB
- 3. → Label lab slip with source patient name and DOB. (The lab slip is located inside of this red packet)
- **4.** → IMMEDIATELY call <u>859-218-3253</u> to speak with an EH exposure nurse, if after hours page UK MD's <u>859-257-5522</u> per step 1 instructions listed above to discuss if post-exposure HIV prophylaxis is recommended.
- 5. → Call CorVel, the Worker's Compensation Insurance Company <u>1-800-440-6285</u> after initial discussion with Employee Health MD/Nurse. *Note: CorVel is a national company and wait times can be long. You must obtain a claim number to prevent being billed for services.*
- 6. → Report the incident online at http://www.hosp.uky.edu/Careweb

Occupational Bloodborne Pathogen (BBP) Exposure Protocol For employees paid by the University of Kentucky, Eastern State Hospital, and Students enrolled at UK

If you are a contractor (paid by another source), volunteer, etc. please see green packet directions below

Treatment and recording of any potentially infectious exposure should begin as soon as possible (exposure to blood, tissue or bodily fluids through needle stick, cut, splash, abrasion).

Perform basic first aid: Clean the wound, skin or mucus membranes immediately with soap and running water. Do not squeeze or "milk" the blood from the wound. If exposure is to the eyes/mouth, flush eyes/mouth, damaged skin with water or normal saline solution for **15 minutes**, or use an eye wash station. If you are wearing contacts, remove them immediately and discard. **Never** reuse exposed contact lenses.

- 2 Notify your immediate supervisor
- IMMEDIATELY follow directions per the table below:

UK Employee, ESH Employee, Student enrolled at UK

DURING BUSINESS HOURS: MONDAY-FRIDAY 7:30 A.M. – 4:30 P.M.

Step 1: Call (859-218-3253) to speak with an exposure nurse.

⇒In the event the exposure nurse is with another patient, please leave a message with your name, date of birth, and details about your exposure. The exposure nurse will return your call ASAP. Call back if you have not received a phone call within 30 minutes.

Step 2: After you have spoken with the exposure nurse, call CorVel Workers Compensation to speak with a CorVel nurse (1-800-440-6285) to get a claim number for billing. *You must obtain a claim number to prevent being billed for services*.

STUDENTS: DO NOT FOLLOW STEP 2. ONLY COMPLETE STEP 1. UK STUDENTS WILL NOT CREATE A WORKERS COMPENSATION CLAIM!

OUTSIDE OF BUSINESS HOURS: MONDAY-FRIDAY 4:30 P.M. – 7:30 A.M. AND WEEKENDS/HOLIDAYS

Step 1: Call 859-257-5522 to page UK MD's

Step 2: After you have spoken with UK MD's, call CorVel Workers Compensation at (1-800-440-6285) to get your workers compensation claim number for billing.
