

THE HEALING PRESENCE OF ART

2025 UK ARTS IN HEALTHCARE CALL FOR ART

Living Jewel
by Alyssa Holguin

In continued celebration of the many talents of our faculty and staff, UK Arts in HealthCare is issuing our 11th annual juried call for art. The purpose of this call is to encourage our employees to think about and experience the healing power of art and understand how art enhances the healing environment.

The art, selected by an independent jury, will be framed and exhibited in two employee galleries at Pavilion H and Kentucky Clinic.

The call is open to all UK employees and their

immediate family members. After being exhibited in the employee galleries, the art may become part of the UK Arts in HealthCare permanent collection. Donated works will be moved to a clinical location with employee recognition.

*Donation is not required for participation. If you choose not to donate, your work(s) will be returned to you (un-framed) after the exhibits end.

Please submit up to three pieces of two-dimensional art in any medium (photography, painting, drawing, fiber, mixed media, etc.) by emailing a photograph of each piece along with your completed entry form to: sarah.timmons@uky.edu by **April 4th, 2025.**

Selected artists will be notified via email by April 28th, 2025. Notification will include instructions for delivering selected works to Arts in HealthCare.

Art should be un-framed and no larger than 20 x 30 inches.
