MAILING ADDRESS

Department of Anesthesiology
UK Chandler Hospital
800 Rose St.
Lexington KY 40536

ROBERT R. GAISER, MD

Chair

The Department of Anesthesiology provides complete, advanced anesthesiology services for all surgical procedures performed at UK Chandler Hospital, ranging from minor outpatient procedures to major operations such as transplantation. The department also provides comprehensive pain management for postoperative, chronic and cancer-related pain syndromes. The faculty actively conducts anesthesia-related research.

SPECIALTIES

- Acute pain and regional anesthesia
- Cardiothoracic anesthesia
- Critical care anesthesia
- General anesthesia
- Neuroanesthesia
- Obstetric anesthesia
- Pain management anesthesia
- Pediatric anesthesia
- Preoperative anesthesia assessment

CONDITIONS TREATED

- Cancer-related pain
- Carpal tunnel syndrome
