

# Researcher Profile Information

Do you need updates to your research directory profile? If so, please fill out the following form so that the Research Communications Office can highlight your latest research online.

The research directory encourages collaboration among cancer researchers, and that is why it is important for your latest information to be on display. Your information will be reviewed by editors before it is published.

**Rather fill this out online?** Scan the QR code in the top right corner with your iPhone's camera app or visit [bit.ly/mccresearch](http://bit.ly/mccresearch) to visit the online form.
