Enclosed you will find information on our operations and services, patient safety, and other important patient information. Please take a few minutes to read through this information, and keep this packet in a safe place for future reference.

NOTICE
It is important that you complete both the Specialty Pharmacy Enrollment Form and the Pharmacy Patient Feedback sheet right away. A postage-paid envelope has been provided for returning these to UK Specialty Pharmacy.

Thank You!
Welcome to the UK Specialty Pharmacy. Our service is designed to improve the lives of patients within UK HealthCare and their partner health systems who are taking high-cost and complicated medications, called specialty medications. We will work closely with you and your physician to help you succeed on your new therapy. This welcome packet will describe many of the services we offer.

As a specialty pharmacy patient, you have access to many UK Specialty Pharmacy services. Here are a few things you should know about UK Specialty Pharmacy:

- UK Specialty Pharmacy is a specialty pharmacy offering you support 24 hours a day, 365 days a year.
- We treat you as an individual and work with your care providers to create a program tailored to your specific condition.
- Because we want to be sure you understand and follow your prescription guidelines, you will be provided with education regarding your medication(s) in clinic or over the phone. In addition, we will provide you with other patient education materials including medication education handouts.
- Our dedicated team of specialty pharmacy technicians will ensure the delivery of your monthly refills.
- We will handle the details for shipping and delivering your specialty medications.
- We are experts in care with years of experience, and we can help you get the treatment you need.
- UK Specialty Pharmacy seeks to provide service to all UK Healthcare patients. However, licensure restrictions limit mail order service to residents of KY, OH, and WV only.
- Additionally, UK Specialty Pharmacy provides resources to patient advocacy and support groups accessible at any time from our website (ukspecialtypharmacy.org) or in writing when requested from the pharmacists.
- UK Specialty Pharmacy’s website also provides access any time to the evidence-based resources we use to design our Patient Management Program.

So that we may provide you with the best care possible, please review the Forms to Return section.

We ask that you:
- Carefully read each form.
- Sign and date forms as indicated.
- Return the forms in the pre-paid envelope to UK Specialty Pharmacy.

If you have any questions, please call us at 844-730-5913 (toll free) or visit us online at ukspecialtypharmacy.org.

Thank you for choosing us as your specialty pharmacy!

Sincerely,

**SERVICES OFFERED**

UK Specialty Pharmacy provides access to clinical pharmacists and technicians in an array of clinics within UK HealthCare. Our clinical services continue to expand, but presently we provide care in such areas as cancer, cystic fibrosis, endocrinology and growth hormone disorders, hepatitis C, inflammatory bowel disease, multiple sclerosis, osteoporosis, psoriasis, rheumatology, pulmonary fibrosis, cholesterol, hemophilia, and solid tumor transplant.

**GETTING STARTED**

You or your provider will send the prescription to UK Specialty Pharmacy. Our staff will begin the process of enrolling you in our personalized specialty pharmacy service. Enrollment is optional, and you may call us at any time to be removed.

**INSURANCE NAVIGATION**

Our team will contact your insurance company to request coverage of the medication. This process is often called a “prior authorization.”

**FINANCIAL ASSISTANCE**

The copay amount for a specialty pharmacy medication may still be high, despite having your insurance company pay for most of the cost. We will research various financial assistance programs available to possibly lower your drug therapy cost.

**CLINICAL SUPPORT**

A clinical pharmacist will provide you with education on the medication, either during your clinic visit or over the telephone. We will also provide a variety of clinical pharmacy services to assure that you stay in the best health possible. A pharmacist is also available over the telephone 24 hours a day to answer your medication questions.

**PRESCRIPTION DELIVERY**

We will contact you to determine how you would like your medication delivered. Options include: FREE mail delivery, delivery to you in clinic, or, when necessary arrangements may be made for you to pick them up at the Kentucky Clinic Pharmacy.

**REFILL REMINDERS**

We will call you with refill reminders several days before you should need a refill. You may also call us at any time to request a refill.

**TOOLS FOR SUCCESS**

We provide medication-specific tools for success, including patient education sheets, medication calendars, pill boxes, sharps containers and other items to help you succeed on therapy.

DELIVERY OF YOUR SPECIALTY MEDICATIONS
We coordinate delivery of your specialty medications to your home or an approved alternate location. We will also include any necessary supplies, such as needles, syringes and alcohol swabs. If your medications require special handling or refrigeration, they will be packaged and shipped accordingly. Some medications may require a signature for proof of delivery. If you cannot be there to accept the package, in many cases, we can arrange for it to be left either at your home or at an approved alternate location.

UK Specialty Pharmacy will make every effort to deliver your supplies early if a weather warning is in place. A UK Specialty Pharmacy representative will attempt to call our patients, in order of disaster priority, with any special instructions. Please make sure we have your secondary contact information on file to ensure there is no lapse in therapy. In the event that a delivery has been delayed, be assured that we will track your package and monitor its progress. You will be notified of any anticipated delays, and if necessary, courier service will be dispatched with your medication to make sure that you will not miss any doses. Our patients may call 844-730-5913 (toll free) at any time during business hours to speak with a representative if there is a delivery concern.

HOW TO FILL A NEW PRESCRIPTION
UK Specialty Pharmacy will work with your prescriber when you need a new prescription drug. In many cases, your prescriber will electronically send a new copy of your prescription to UK Specialty Pharmacy. However, you may also call us and request that we contact your prescriber to obtain a new specialty prescription.

ORDERING REFILLS
A specialty pharmacy technician will call you before your medication is scheduled to run out, to check your progress and to determine the shipment of your next refill. Please call 844-730-5913 (toll-free) during our normal business hours if you have any questions or need assistance.

MEDICATIONS NOT AVAILABLE AT UK SPECIALTY PHARMACY
If you cannot obtain a medication at UK Specialty Pharmacy, your specialty pharmacy technician will work with you and another pharmacy to ensure you receive your drug. If you want your prescription transferred to another pharmacy, please contact your specialty pharmacy technician and we will transfer your prescription on your behalf.

PHARMACIST ASSISTANCE
UK Specialty Pharmacy’s pharmacists are specially trained on the medication you are taking, and they are here to answer your questions about your care plan. Please call us if you have any questions regarding your treatment. A licensed pharmacist is available 24 hours a day, seven days a week, for any urgent needs relating to your medication. After normal business hours, please leave your contact information with our after-hours paging operator (859-323-5000). Ask for the specialty pharmacist on call and someone will promptly return your call. In case of an emergency, call 911.

PATIENT MANAGEMENT PROGRAMS
UK Specialty Pharmacy offers several patient management programs for specific medical conditions. These services include education about how and when to take your medication, how to manage potential side effects, and ongoing health monitoring and support. This is provided to you at no additional cost, and your participation is completely voluntary. You may decline enrollment into the Patient Management Program or unenroll at any time by notifying one of our team members during normal business hours at 844-730-5913 (toll free).

BENEFITS AND LIMITATIONS OF THE PATIENT MANAGEMENT PROGRAM
The program is designed to improve your overall health by optimizing specialty medications through management of side effects and increasing adherence and understanding of your drug therapy.

DRUG CLAIMS
UK Specialty Pharmacy will bill your insurance company for you. However, you may still have to pay a portion of the cost, which is called a copayment. You will be responsible for paying your copayment when you order your medication or refills. We will tell you the exact amount you need to pay.

OUTSTANDING BALANCES
If for any reason you owe a balance, the balance will need to be paid before your next refill. We accept Visa, MasterCard, American Express and Discover credit cards. We also accept cash, personal checks, money orders and most flexible spending accounts.

PAYMENT PLAN
If you need help in arranging a payment plan for the money you owe, we will be happy to assist you in setting up a payment plan. Please call us and advise us of your situation.
FREQUENTLY ASKED QUESTIONS

WHY DO I NEED A SPECIALTY PHARMACY?
These complex and costly medications usually require special storage and handling and may not be readily available at your local pharmacy. Sometimes these medications also have side effects that require monitoring by a trained pharmacist. UK Specialty Pharmacy focuses on providing these medications while offering excellent customer service and clinical support to you and your caregivers.

HOW CAN I CONTACT THE UK SPECIALTY PHARMACY?
You may:
- Call us at 844-730-5913 (toll free) or 859-218-5413 to speak to a Specialty Pharmacy employee.
- Email one of our clinical pharmacists at specialtypharmacy@uky.edu.
- Ask to speak to a specialty pharmacy employee during your next clinic visit.

ORDERING REFILLS?
A specialty pharmacy technician will call you before your medication is scheduled to run out, to check your progress and to determine the shipment of your next refill. Please call 844-730-5913 (toll-free) during our normal business hours if you have any questions or need assistance.

HOW MUCH WILL MY MEDICATIONS COST?
Your copay amount will vary based on your insurance plan. We will tell you this amount after we have processed your prescription.

WHAT IF I CAN’T AFFORD MY MEDICATIONS?
Some patients are eligible for financial assistance through drug companies or charities. We will perform a full review of options available, tell you about available options and enroll you in the program if you meet eligibility requirements, after obtaining your written permission to do so.

WHAT IF MY INSURANCE COMPANY DOESN’T COVER MY MEDICATION?
Our staff works directly with your physician and insurance company to obtain coverage for your therapy. If it is denied, your physician will discuss other options with you.

CAN I STILL GET ACCESS TO MY SPECIALTY MEDICATION IF I LACK PRESCRIPTION INSURANCE?
Some drug companies offer a Free Drug Program. If that’s available, we will help you enroll in the program, after obtaining your written permission to do so.

DOES UK HEALTHCARE HAVE ACCESS TO ALL SPECIALTY MEDICATIONS?
UK HealthCare has access to most specialty medications. If we do not have access, we will transfer your prescription to a pharmacy that does and have the new pharmacy contact you.

WILL MY INSURANCE COMPANY LET UK HEALTHCARE DISPENSE THE DRUG?
UK HealthCare can dispense for most insurance companies. Occasionally your insurance company will require the use of another pharmacy. In these instances, we will transfer your prescription and have the new pharmacy contact you.

WILL YOU EVER SUBSTITUTE MY MEDICATION WITH ANOTHER?
From time to time it is necessary to substitute generic drugs for brand-name drugs. This could occur due to your insurance company preferring the generic be dispensed or to reduce your copay. If a substitution needs to be made, a member of the specialty pharmacy staff will contact you prior to shipping the medication to inform you of the substitution.

WILL UK SPECIALTY PHARMACY EVER CALL ME?
We will call you to:
- Confirm the initial status of your prescription and copay amount.
- Set up the initial dispense and refills.
- Verify your address and confirm delivery or your medication.

We may also call you to:
- Verify prescription insurance information.
- Obtain documentation of your income to enroll you in a financial assistance program.
- Counsel you on the medication, if that isn’t done during your physician visit.
- Tell you that the prescription has to be transferred to another specialty pharmacy.
- Notify you of any FDA recalls of your medication.

WHEN SHOULD I CONTACT YOUR PHARMACY?
You should call the UK Specialty Pharmacy if:
- Your address, telephone number or insurance information has changed.
- You have any questions regarding the status of your prescription.
- You have concerns regarding how to take your medication.
- You would like additional information regarding your plan for therapy.
- If you suspect an error or delay in shipping or dispensing has occurred.
- If you suspect your medication has been recalled by the FDA.

You should also contact us with any other questions or concerns. Our staff is happy to assist you with your specialty pharmacy needs, including:
- Working with another specialty pharmacy to get your medications delivered.
- Helping you get access to medications during an emergency or disaster.
- Providing you with tools to manage your therapy, including educational materials and consumer advocacy support.

WHAT SHOULD I DO IF I HAVE AN ADVERSE REACTION TO THE MEDICATION?
Patients experiencing adverse drug reactions or other problems should contact the UK Specialty Pharmacy or their prescribing physician. You should call 911 or have someone drive you to a local Emergency Room if the reaction appears serious or life threatening.

CAN I RETURN MY PRESCRIPTION?
Most prescription medications cannot be returned to the pharmacy. Some prescriptions may be returned and credited if they have not been opened, have been dispensed within 14 days, and meet other requirements specified by Kentucky law. Please call us and we can tell you if your medication can be returned and credited. Also, if your medication is defective, please call us and we will see if a new medication can be sent to you.

HOW DO I DISPOSE OF UNUSED MEDICATIONS?
For instructions on how to properly dispose of unused medications please contact the pharmacy or go to the below FDA websites for information and instructions:
- www.fda.gov/forconsumers/consumerupdates/ucm101653.htm
- www.fda.gov/drugs/resourcesforyou/consumers/buyingusingmedicinesafely/ensuringsafeuseofmedicine/safedisposalofmedicines/ucm186187.htm

Using UK Specialty Pharmacy is optional. If you would like to use another specialty pharmacy, please call us and we will assist with the transfer of your prescription.
TIPS FOR SUCCESS

At UK Specialty Pharmacy, we are here to help you get the most out of your medication. Our clinicians are available 24 hours a day, seven days a week to answer your questions and provide you with the support you need. Below are a few tips that can help you achieve the best results from the therapy prescribed by your doctor:

1. FOLLOW YOUR DOCTOR’S DIRECTIONS.
It is especially important that you follow the directions given by your doctor for your medication in order to get the best results. That includes taking the right dosage at the right time and for the prescribed length of therapy.

2. ASK QUESTIONS.
Educating yourself on the medications you are taking and the disease for which you are being treated is a very important part of dealing with the changes you are experiencing. Ask your doctor or pharmacist for any other educational resources specific to your condition.

3. CALL US!
If you have any unanswered questions, or need any further support, call us at any time, day or night, at our toll-free phone number. Our pharmacists are here to help you!

Please call UK Specialty Pharmacy at 844-730-5913 (toll free) for more details.

HAND-WASHING INSTRUCTIONS
Infections are serious. The best way to make sure you do not get an infection is to wash your hands often. Remember to always wash your hands before and after you prepare or handle any medication.

1. Collect the supplies:
   - Soap.
   - Paper towels or a clean cloth towel.
2. Wet your hands with warm water.
3. Place a small amount of soap on your hands.
4. Rub your hands briskly together for at least 30 seconds.
5. Don’t forget about the in-betweens of your fingers.
6. Rinse your hands with warm water.
7. Dry your hands with a paper towel or clean cloth towel.
8. Turn off your faucet with the towel.
9. If you touch anything (your hair, for example), sneeze into your hands or feel that your hands may no longer be clean, wash your hands again before continuing with your care. If no water supply is available, use an alcohol-based antibacterial hand cleanser.

ADVERSE DRUG REACTIONS
Patients experiencing adverse drug reactions, acute medical symptoms or other problems should contact their primary care provider (PCP) or local emergency room, or call 911.
HOW TO THROW AWAY HOME-GENERATED BIOMEDICAL WASTE

Home-generated biomedical waste is any type of syringe, lancet or needle ("sharps") used in the home to either inject medication or draw blood. Special care must be taken with the disposal of these items to protect you and others from injury, and to keep the environment clean and safe.

If your therapy involves the use of needles, an appropriately sized sharps container will be provided. Please follow these simple rules to ensure your safety during your therapy.

SHARPS

After using your injectable medication, place all needles, syringes, lancets and other sharp objects into a sharps container. Do not dispose of sharps in the trash unless they are contained within a sharps container. Do not flush them down the toilet. If a sharps container is not available, a hard plastic or metal container with a screw-on top or other tightly securable lid (for example, an empty hard can or liquid detergent container) could be used. Before discarding, reinforce the top with heavy-duty tape. Do not use clear plastic or glass containers. Containers should be no more than three-quarters full.

DISPOSAL

Check with your local waste collection service or public health department to verify the disposal procedures for sharps containers in your area. You can also visit the Centers for Disease Control and Prevention (CDC) Safe Community Needle Disposal website at www.cdc.gov/needledisposal.

NEEDLE-STICK SAFETY:

- Never replace the cap on needles.
- Throw away used needles immediately after use in a sharps disposal container.
- Plan for the safe handling and disposal of needles before using them.
- Report all needle stick or sharps-related injuries promptly to your physician.

IF YOUR THERAPY DOES NOT INVOLVE THE USE OF NEEDLES OR SHARP ITEMS

You do not need a sharps container. You should place all other used supplies in a bag you can’t see through. Put this bag inside a second bag, and put this in your garbage with your other trash.

PATIENT INFORMATION ON EMERGENCY PREPAREDNESS

GENERAL HOME SAFETY - PATIENT EDUCATION

Each year nearly 21 million people suffer injuries in the home. We want you and your family to live in a safe environment. We have provided some suggestions that could help you prevent an injury within your home. Check every room in your house and make your home safer.

FALLING

(This is the way people are most often injured in their homes.)

1. Keep the floor clean. Promptly clean up spills.
2. If you use throw rugs, place them over a rug liner or choose rugs with non-skid backs to reduce your chance of falling.
3. Use a non-slip mat or install adhesive strips in your tub or shower.
4. Tuck away telephone, computer and electrical cords out of walkways.
5. All stairs and steps need handrails. If you have stairs in your home and have children, use baby gates at the top and bottom of the stairs.
6. Have all walkways well lighted and use night lights as needed.
7. Have a flashlight that works.

POISONING

1. Keep all hazardous materials and liquids out of the reach of children.
2. Keep medications out of the reach of children.
3. Know your local poison control number or dial 800-222-1222 if a poisoning occurs.

FIRE AND BURN PREVENTION

1. Have smoke detectors in the home, and replace batteries at least once a year.
2. Test each smoke detector once a month.
3. Have a fire plan and be sure all family members know what to do if there’s a fire.
4. Place covers over electrical outlets.
5. Check to make sure your water heater is set no higher than 120° F.

6. Keep children away from the stove and never leave the stove unattended while cooking.
7. Keep matches and lighters out of the reach of children.

FIRE

1. Rescue anyone from immediate danger.
2. If you are safe, alert the fire department. Otherwise evacuate the area.
3. Turn off oxygen (if applicable), and try to contain the fire by closing off any access, such as doors.
4. Attempt to extinguish the fire only if it is in a small localized area, otherwise evacuate the building and notify the fire department once you are safe.
5. If relocation is necessary, please call UK Specialty Pharmacy to alert us to your updated contact information and new medication delivery location to ensure that there is no lapse in therapy.

NATURAL DISASTERS (FLOOD, EARTHQUAKE, OR TORNADO)

1. In disaster-prone areas, store food and extra bottled water. Have a battery-operated radio, flashlights and extra batteries. If you are on a nebulized medication or other medication that requires electricity to administer, please call your local electric company to report your special needs. They may be able to prioritize the restoration of your electricity.
2. Check for injuries.
3. Check your home for any gas or water leaks and turn off appropriate valves.
4. Stay away from windows or broken glass. Wear shoes at all times.
5. Evacuate the area if necessary.

6. If evacuation is necessary, go to the nearest shelter and notify the organizers of any special needs you have. Please call UK Specialty Pharmacy to alert us to your updated contact information and new medication delivery location to ensure that there is no lapse in therapy.

POWER OUTAGE
1. Notify your gas and electric companies if there is a loss of power. If you are on a nebulized medication or other medication that requires electricity to administer, please call your local electric company to report your special needs. They may be able to prioritize the restoration of your electricity.
2. Have a battery-operated radio, flashlights, batteries and/or candles available. (If you are on oxygen, turn it off before lighting candles.)

WINTER STORM
1. Prepare an emergency kit with:
   - Water
   - Nonperishable food
   - Battery-operated radio
   - Flashlights and fresh batteries
   - First-aid kit, including prescription medicines
2. Keep a full charge in your cell phone.
3. Do NOT use your stove for heat. If your power goes out, use these items as heat sources:
   - Extra blankets, sleeping bags or warm winter coats, gloves and hats.
   - A wood-burning fireplace. (Be sure to keep a supply of dry firewood.)
4. Never use a charcoal grill or portable gas camp stove inside your home. Both of these items produce deadly fumes.
5. Avoid using candles as they can lead to house fires. If you do use candles, never leave lit.

WHAT ARE MY RIGHTS AS A PATIENT AT UK SPECIALTY PHARMACY?

You have the right to...
• Ask us to explain your treatment plan. This includes how often you will visit us. And if you don’t understand any changes to your treatment, just ask.
• Know how much you will need to pay for our services. And we will tell you how much your insurance will need to pay. We will discuss this with you and give it to you in writing.
• Work with us to find the best way to help you get better. This includes making any changes to your treatment plan.
• Know that you have the right to make an Advanced Directive. This is a legal writing that explains your treatment wishes as you near the end of your life.
• Be treated with respect. You will not be neglected or abused in any way. This includes your person and your property.
• Feel free to tell us your concerns, issues, or complaints. Don’t be afraid to speak up about your care. If you have a problem, we will look into it.
• Learn how we protect your privacy and personal info.
• Choose your health care providers.
• Know if you would save money by using another pharmacy.
• Have us explain your duties as a patient.
• The right to speak to a health professional.
• The right to receive administrative information regarding changes in, or termination of, the patient management program.

What can I do to improve my care at UK Specialty Pharmacy?
• Make sure your doctor knows that you get your medicines from us.
• Speak up! Tell us or UK HealthCare your concerns about our services.
• Make sure we have all the forms we need for your treatment. These could be insurance forms or records from other doctors.

IF YOU HAVE COMPLAINTS OR CONFLICTS...

• You can complain about anything without worry. If you don’t want to talk to your doctor or nurse, please contact the patient representative at 859-257-2178.
• If you have conflicts about care, you may ask your nurse or the patient representative how to contact the Ethics Committee by calling Hospital Administration at 859-257-9474 to help resolve those conflicts.
• If you still have a complaint, you may contact the Kentucky Office of Inspector General at 800-372-2973.
• Patients in the Kentucky Clinic who have conflict may go to the Information Desk on the first or third floors and ask KY Clinic Administration to be notified at 859-257-6780.
• You may also contact the Joint Commission on Accreditation of Healthcare Organizations at 800-994-6610 or email to: complaint@jcaho.org; or mail to:

WHAT EVERYONE NEEDS TO KNOW ABOUT AIDS

Kentucky law requires that we inform you about AIDS. AIDS stands for acquired immunodeficiency syndrome. It is a disease caused by a virus (human immunodeficiency virus or HIV) that can destroy the body’s ability to fight illness. People can protect themselves if they take reasonable precautions. AIDS is spread in three main ways:

- Having sex with someone who has HIV.
- Sharing drug needles and syringes with users of heroin, cocaine and other drugs.
- Babies can be born with the virus if the mother has been infected.

It’s true that some people have acquired AIDS from infected blood transfusions or transplanted organs in the past, but that is very rare. Today, all donated blood and organs are tested for the AIDS virus. There is no proof that the virus is spread through casual contact – you can touch someone with AIDS without getting it. There is no reason to avoid an infected person in ordinary social contact.

WHAT YOU NEED TO KNOW ABOUT ADVANCE DIRECTIVES

Advance directives are documents that state your choices about medical treatment. They will also allow you to name someone to make decisions about your medical treatment if you are unable to make decisions for yourself.

Kentucky law recognizes three types of advance directives: 1) Living will; 2) Designation of Health Care Surrogate; 3) Advance Directive for Mental Health Treatment.

LIVING WILL

A living will is a document that tells your doctor or other health care providers whether or not you want treatments or procedures which will prolong your life if you are in a terminal condition or are in a permanently unconscious state. Procedures that can prolong your life may include mechanical respirators to help you breathe, kidney dialysis to clean your body of wastes, CPR (cardiopulmonary resuscitation) to restore your heartbeat, and artificial nutrition and hydration. Your living will may also include your wishes regarding organ donation.

HEALTH CARE SURROGATE DESIGNATION

This type of advance directive lets you name a specific person to make your medical decisions when you are unable to do so. This person acts in your best interest to authorize treatment, refuse treatment or withdraw treatment when you are temporarily or permanently unable to decide for yourself.

TO WHOM SHOULD I TALK?

You do not have to have an advance directive. If you choose to write an advance directive giving your instructions, you should first talk with your family and those close to you who are concerned about your care and your feelings.

WHEN DO I WRITE AN ADVANCE DIRECTIVE?

Illness or injury can happen at any time. It is easier to discuss possible situations and your wishes at a time when you are healthy. You can always change or cancel an advance directive later if you desire.

WHAT ELSE DO I NEED TO KNOW?

- Anyone 18 years of age or older can make an advance directive.
- If you change your mind, you can destroy the document, or revoke it either verbally or in writing.
- You don’t need a lawyer to write an advance directive.
- We do not automatically honor advance directives in outpatient areas as we don’t know of your wishes or your visit may be for unrelated care. If you want us to honor an advance directive in an outpatient area, please speak to a nurse or your doctor.
- While you are a patient at UK HealthCare, if you would like more information on advance directives, you may contact the Department of Patient & Family Services in UK Chandler Hospital Room H149 or call 859-323-5501.
PRIVACY PRACTICES

Revised September 23, 2013

We are committed to protecting the privacy of all health information we create and maintain as a result of the health care we provide you. Your “protected health information” (PHI) includes information about your past, present or future health, health care we provide you and payment for your health care contained in the record of care and services provided by University of Kentucky health care facilities. The purpose of this Notice is to explain who, what, when, where and why your protected health information may be used or disclosed, and assist you in making informed decisions when authorizing anyone to use or disclose your PHI.

OUR RESPONSIBILITIES

- Maintain the privacy of your protected health information and provide you with notice of our legal duties and privacy practices with respect to protected health information.

Aside by the terms of the Notice currently in effect. We have the right to change our Notice of Privacy Practices and we will apply the change to all of your personal health information, including information obtained prior to the change.

Post notice of any changes to our Privacy Practices Direct your questions, complaints and requests made in the lobby and make a copy available to you upon request.

THIS NOTICE DESCRIBES HOW YOUR HEALTH INFORMATION MAY BE USED AND DISCLOSED AND HOW YOU CAN GET ACCESS TO THIS INFORMATION. PLEASE REVIEW IT CAREFULLY.

YOUR RIGHTS REGARDING YOUR PROTECTED HEALTH INFORMATION

1. To request in writing to the treatment area a restriction on the uses and disclosures of protected health information as described in this Notice. We are not required to agree to the restriction you request. We may not be able to comply with your request in certain situations, which include emergency treatment, disclosures to the Secretary of the Department of Health and Human Services and uses and disclosures that do not require authorization.

2. To request in writing a restriction on disclosures for payment or health care operations when paying out-of-pocket in full for health care item or service. We are required to agree to this restriction.

3. To obtain a paper copy of this Notice and upon written request submitted to the UK health care facility maintaining the record, inspect and/or obtain a copy of your health record.

4. To amend your health record by submitting a written request with the reasons supporting the request to the Medical Records department. We may deny your request if a) the record was not created by us, unless the person that created the record is no longer available to make the amendment; b) the record is not part of the record maintained by us; c) the requested amendment is not correct and complete; d) you would not have the right to inspect and copy the record as described herein.

5. To request in writing to the Privacy Officer a written list of disclosures we made of your health information, except that we are not required to account for disclosures for purposes of treatment, payment, operations, directory notification, disaster relief, as allowed under certain circumstances by law or pursuant to your authorization.

6. To request in writing to the treatment area that we communicate with you by a specific method and at a specific location. We will typically communicate with you in person; or by letter or telephone.

7. To revoke your authorization to use or disclose PHI at any time except, unless your authorization was obtained as a condition of obtaining insurance coverage, and except to the extent your PHI has already been disclosed pursuant to your authorization. Your revocation request must be made in writing to the Medical Records unit of the facility where you originally filed your authorization.

8. To be notified of a breach of your unsecured protected health information.

9. To request in writing a restriction on the uses and disclosures of protected health information to others as required by court or administrative order, or in response to a valid summons or subpoena.

10. To request in writing to the treatment area that we communicate with you by a specific method and at a specific location.

11. To be notified of a breach of your unsecured protected health information.

12. To receive a copy of your medical record in electronic format, if possible.

OUR RESPONSIBILITIES

Contact for Questions/Complaints/Requests

Direct your questions, complaints and requests made in the lobby and make a copy available to you upon request, pursuant to this Notice to: Privacy Officer, 2333 Alumni Drive, Suite 200, Lexington, KY 40517, 859-323-1184 or 859-323-8002. You may also file a complaint with the Secretary of Health and Human Services. Filing a complaint will not result in retaliation.

HOW WE MAY USE AND DISCLOSE YOUR PHI

We may use and disclose your PHI for the following purposes:

Treatment: We may use and disclose your protected health information to anyone involved in the provision of health care to you, including for example, University physicians, nurse practitioners, nurses and other medical professionals, including our medical students, residents and volunteers. We also disclose your protected health information to outside treating medical professionals and staff as deemed necessary for your health care.

Payment: We may use and disclose your protected health information to billing and collection agencies, insurance companies and health plans to collect payment for our services.

Health Care Operations: We may use and disclose your protected health information for our own health care operations. For example, we may use your protected health information to assess your care in an effort to improve the quality and safety of our service to you; to evaluate the skills, qualifications and performance of our health care providers; to provide training programs to students, trainees and other health care providers. In addition, our accountants, auditors and attorneys may use your protected health information to assist our compliance with applicable law.

Business Associates: There are some services provided to our organization through contracts with business associates, such as laboratory and radiology services. We may disclose your protected health information to our business associates so that they can perform these services. We require the business associates to safeguard your information to our standards.

Individuals Involved With Your Care: We may disclose your protected health information to family or others identified by you or who is involved in your care or payment for your care. We may also notify a family member, or another person responsible for your care, about your location and general condition, unless you object by contacting the caregiver at the facility providing your care.

Legally Required Disclosures & Public Health: We may disclose your protected health information as required by law, including to government officials to prevent or control disease, to report child, adult or spouse abuse, to report reactions or problems with products, and to report births and deaths.

Health Oversight Activities: We may disclose your protected health information to a federal or state health oversight agency that is authorized to oversee our operations.

Workers Compensation: We may disclose your protected health information for workers compensation or similar programs.

Serious Threats to Health and Safety: We may disclose your protected health information if necessary to prevent or reduce the risk of a serious or imminent threat to the health or safety of an individual or the general public.

Law Enforcement & Subpoenas: We may disclose your protected health information to law enforcement such as limited information for identification and location purposes, or information regarding suspected victims of crime, including crimes committed on our premises. We may also disclose your protected health information to others as required by court or administrative order, or in response to a valid summons or subpoena.

HOW WE USE AND DISCLOSE YOUR PHI

We may use and disclose your PHI for the following purposes:

- To request in writing to the treatment area that we communicate with you by a specific method and at a specific location.
- To be notified of a breach of your unsecured protected health information.
- To request in writing a restriction on disclosure for payment or health care operations when paying out-of-pocket in full for health care item or service. We are required to agree to this restriction.
- To obtain a paper copy of this Notice and upon written request submitted to the UK health care facility maintaining the record, inspect and/or obtain a copy of your health record.
- To amend your health record by submitting a written request with the reasons supporting the request to the Medical Records department. We may deny your request if a) the record was not created by us, unless the person that created the record is no longer available to make the amendment; b) the record is not part of the record maintained by us; c) the requested amendment is not correct and complete; d) you would not have the right to inspect and copy the record as described herein.
- To request in writing to the Privacy Officer a written list of disclosures we made of your health information, except that we are not required to account for disclosures for purposes of treatment, payment, operations, directory notification, disaster relief, as allowed under certain circumstances by law or pursuant to your authorization.
- To request in writing to the treatment area that we communicate with you by a specific method and at a specific location. We will typically communicate with you in person; or by letter or telephone.
- To revoke your authorization to use or disclose PHI at any time except, unless your authorization was obtained as a condition of obtaining insurance coverage, and except to the extent your PHI has already been disclosed pursuant to your authorization. Your revocation request must be made in writing to the Medical Records unit of the facility where you originally filed your authorization.
- To be notified of a breach of your unsecured protected health information.
- To receive a copy of your medical record in electronic format, if possible.
NOTICE OF PRIVACY PRACTICES

Inmates: We may disclose your protected health information to a correctional facility which has custody of you if necessary a) to provide health care to you; b) for the health and safety of others; or, c) for the safety and security of the correctional facility.

Information Regarding Decedents: We may disclose your protected health information regarding a deceased person to: 1) coroners and medical examiners to identify cause of death or other duties, 2) funeral directors for their required duties and 3) to procurement organizations for purposes of organ and tissue donation.

Research: We may also disclose your protected health information where the disclosure is solely for the purpose of designing a study, or where the disclosure concerns decedents, or an institutional review board or privacy board has determined that obtaining authorization is not feasible and protocols are in place to ensure the privacy of your health information. In all other situations, we may only disclose your protected health information for research purposes with your authorization.

Treatment Alternatives: We may contact you with information about treatment alternatives or other health related benefits and services that may be of interest to you.

Fund Raising: We may contact you as part of a fund raising effort. You may opt out of fund raising communications by using the contact information listed on the fund raising material you receive.

Directory Information: We may disclose your name, location and general condition to those persons who ask for you by name or to members of the clergy. You may object to such disclosure by contacting the Registration Office/Desk at the facility from which you received this Notice.

Appointment Reminders: We may use and disclose your PHI to provide a reminder to you about an appointment.

DISCLOSURES REQUIRING AUTHORIZATION

1. Sale and Marketing of PHI. We may not sell your PHI or use or disclose your PHI for marketing purposes without your authorization.

2. Psychotherapy Notes. Most uses and disclosures of psychotherapy notes require an authorization.

3. All Other Uses and Disclosures. All other uses and disclosures of your protected health information will only be made pursuant to your written authorization, which you have the right to revoke at any time, except to the extent we have already made disclosures pursuant to your authorization.

CHANGES TO THIS NOTICE

We reserve the right to change the terms of this Notice and to make new Notice provisions effective for all your protected health information that we maintain by posting the revised Notice at our facilities, making copies of the revised Notice upon request to the facility or the Privacy Officer, or posting the revised Notice on our website.

Why should I sign this form?
At UK HealthCare, we want to keep the cost of your medicines as low as possible. One way we do this is by finding programs by drug makers that lower the cost to patients. These are called Pharmacy Patient Assistance Programs. They help patients who are not insured get the medicines they need.

There is no guarantee a program will accept you. The drug companies make that decision. On the other hand, there is no risk to you. Enrolling in these programs will not affect any other financial assistance you are seeking. If a program accepts you, you may get your medicine at no cost. Charges for your medicine will not be on your bill.

What will UK HealthCare do if I sign this form?
Drug makers with programs ask for information about you. They check the information to make sure you qualify. They may also need your signature. If you sign this form, we will look for programs and apply for you.

By signing this form, you give UK HealthCare permission to do the following:
- Provide drug makers only the information needed to apply for each program.
- Sign program application forms as your agent.

We have a duty to protect your privacy. We will only use your information to apply for medicine assistance. We will share the minimum information needed to apply.

What if I sign the form then change my mind?
You may revoke this authorization at any time. You must do this in writing at the UK HealthCare location where you filed this form. Your power to revoke may be limited if:
- You signed this form as a condition for getting insurance.
- You signed this form and UK HealthCare relied on it to use or release information.

What if I have questions or concerns?
You can call our office at 859-323-2512. We will be happy to talk with you about Pharmacy Patient Assistance Programs.
