UK SPECIALTY INFUSION – CHANDLER

UK Specialty Infusion - Chandler is located just inside the main entrance to Chandler Hospital Pavilion H (the original hospital building).

Park and take the shuttle

To reach the new clinic, park in the UK HealthCare parking garage at 110 Transcript Ave. and take the free shuttle from Level A to the second stop (Stop 2). Enter the hospital and the clinic will be on your right.

Walking from the garage

You may also walk across the pedway over S. Limestone from Level C of the garage and **follow the yellow line.**

Being dropped off

Your driver can take you right to the Pavilion H entrance and drop you off there. If they are staying for your infusion, they will need to park in the Transcript garage and return to the clinic.
